**For over 20 years, TAG has been connecting people, aircraft, and opportunities with excellence and precision.**

Founded with the mission of offering complete and personalized Solutions for the aviation sector, TAG has become one of Brazil's most respected aircraft brokers. Over the years, we have successfully negotiated more than 200 aircraft, including domestic sales, imports, and exports. Our team works with discretion, technical knowledge, and a clear focus on maximizing value in every transaction. Today, TAG is the only company in the sector with its own infrastructure in both Brazil and the United States — operating hangars in São Paulo and Fort Lauderdale, as well as a full-service FBO at Campo de Marte Airport.

From consulting to delivery, from the runway to the boardroom — we are experts in every step of your aviation journey.
